Twilight Kisses By Ruby Storm Most women spend a lifetime in search of one extraordinary love. The average woman will never experience the magic touch of a man who sends a hotbed of molten lava racing through her veins. She will never know the beauty of embracing that one special person who knows her every thought, who has loved her enough to wait his entire life for her to appear. As a young Sioux brave seeking his vision, Moon Runner discovers that only one woman, his Ghost Woman, will bring his life full circle. He believes and he awaits his destiny, never envisioning that she will come to him from years in the future. After stumbling upon a photograph of a mighty Sioux warrior captured in 1884, Shannon Dunne is driven to discover why this shadowy figure calls out to her soul. She journeys to the Black Hills of South Dakota. There she discovers a love powerful enough to send her back in time, and into Moon Runner's tender embrace. But Shannon has seen the past from the future, in the form of a hangman's noose. They are lovers from two different worlds, unable to escape their past or their future. They must rely on that extraordinary love to be enough to keep them together always, to reshape destiny, to remain in one another's arms for all time. Only fate can decide.
