Passion's Four Towers Dee Brice Five lusty men, three stubborn women and two determined guardians must comply with a dead queen's wishes-when her youngest daughter reaches maturity each of her daughters must marry. The wording of the will leads the guardians to believe the princesses must be seduced before they wed. Since their mother married three times, none of the princesses wishes to wed at all, but they are compelled to obey. Gareth, the man to whom Yvonne unknowingly has been betrothed since birth, brings his brothers to give her the illusion of choice. Will each princess get the man of her choice?
