Witch Ball Kathleen Coddington Their love was eternal. Until forbidden magic threatened to tear them apart forever. When Nathaniel Swann and his daughter move to the small town of Lady's Cove, Maine, the last thing he expects is the beautiful woman who appears in his kitchen after he accidentally breaks a witch ball, a housewarming gift from his neighbor. A hardheaded scientist, he refuses to believe the woman's fantastic tale of magical spells, eternal love and reincarnation. Released after being imprisoned for three hundred years in the witch ball, Miranda Hawthorne is reunited with the man she is destined to be with throughout time. Her joy is short-lived when she discovers that Nathaniel no longer remembers her or their love. How can she convince him to help her to break the witch ball's lingering spell before the bond between them is severed for all eternity? And in the house next door the priestess responsible for the witch ball's spell plots to prevent them from discovering the secret that will set Miranda completely free.
