Michelle's Men Lynn LaFleur Second in the Coopers' Companions series Michelle Cooper has strong standards. Although she's a third owner of Coopers' Companions, a successful male escort service, she never dates any of the escorts. Mixing business with pleasure always leads to a mess. Her convictions are put to the test when two men apply for jobs as escorts. Nathan Turner and Andre D'Amato send her hormones into overdrive. Andre and Nathan have been friends and lovers for years. They love each other, yet both enjoy sex with women. Neither has been interested enough in one woman to pursue her-until they meet Michelle. Pursuing Michelle isn't easy. She makes it clear to the two men that she doesn't date any of the escorts. Andre and Nathan want Michelle and come up with a simple solution: she should date both of them. That isn't even a possibility as far as Michelle is concerned. She can't possibly become involved with two men at the same time. Can she?
