GINNO LEGASPI REVIEW : " ... Ambient Breaks is a library of loops, layers, and hits in WAV and AIFF format. All files are recorded in 110 BPM with an emphasis on ambient, chill, lounge, breaks, and soundtrack/film/game/sound FX. Auditioning the samples was an absolutely joy, and these will quite help producers create strong arrangements in their preferred DAWs (digital audio workstations). Also, a majority of the samples are good 'as is' and require no additional processing. That's not to say you can't be experimental, but the possibilities and usability of the samples here are endless, really. And for the price, I think this is a good deal " Ambient Breaks Contents: Drum Loops No Kick Loops (hi-EQ) Fat / Synth Loops Infra Bass Loops Key Loops Sound Effects Drum Hits / One-Shots Synth Samples / Bass Sounds / Layers Technical
