

Reason Malstrom Trance Sound Bank

[DOWNLOAD HERE](#)

Reason Malstrom Trance Sound Bank Trance Sound Bank for Reason is a unique collection of sounds from ACID Records containing 128 patches designed for the powerful Malstrom synth. From lead sounds, to atmospheric pads you'll find a diverse range of tones for your next Trance production. This sound bank also includes FX and Phat Gritty Tek sounds designed to give your tracks that extra level of detail.

Installation PC/Mac: Click and run Setup.exe for Win, or Setup.dmg for Mac and choose your destination folder. Use the Open Patch button on the Malstrom synth and browse to the location you installed to...and enjoy the sounds!
