Discover How to Produce Profit-Pulling Viral Article Mini-Sites in Minutes! NO HTML KNOWLEDGE REQUIRED! Introducing.... The Viral Article Producer! This amazing program allows anyone no matter what their programming experience to easily create viral article web pages, or mini-sites. These mini-sites are a great way to get around spam filters and theft and get your articles out to the public! Now You Can Publish Your Articles Online Immediately Which is Vitally Important Considering Content is Still King on the Internet! Let me ask you a quick question: What are people searching for on the search engines everyday? They are searching for good, high quality content and each day, thousands upon thousands of content searches are being made. Thats why it is so important for you to be able to get your articles out on the web fast. Creating mini-sites featuring good solid fresh content, is simply the best way to start drawing traffic and increase your sales! You can use your viral article mini-sites to: Attract thousands upon thousands of highly targeted visitors and leads from the worlds top search engines * Increase sales of a product or affiliate product by creating high-value follow-up series * Transform your pages into an authority hub by providing users and the search engines with fresh content about your product, service and/or niche * Establish yourself as an expert in your field these well-written will make you appear to be the expert that prospects should go to when they have a question in your niche! * And much, much more! You Can Even Start Earning Money With Your Mini-Sites By Adding AdSense to the Pages! Thats right, you can earn extra revenue by simply adding Google AdSense code to your viral article mini-sites! By including AdSense code in every online article that you publish, you will automatically create revenue streams that send extra cash into your bank account 24/7. This is Your Chance to Start Easily Publishing Online the Laser-Targeted Articles You Need to Grow Your Business & Explode Your Profits! One of the biggest challenges online marketers face today is getting good content up on the web. * Maybe right now you are sitting in front of your computer for HOURS struggling to format an article if so, you should realize that you are wasting precious time that you could be using to do other important things, such as increase sales and grow your business! * Or maybe you submit articles to sites only to see them later with someone elses resource box! * Or maybe you arent ever seeing your articles because they were blocked

by a spam filter! If any of the above are true for you, you should know that you are not alone and that you have definitely come to the right place. Thanks to the Viral Article Producer you can stop wasting countless hours working IN your business (that is, formatting content and trying to get it published) and more time working ON your business (that is, increasing sales). The Viral Article Generator is the convenient way to format and publish high quality articles today. Here is more of what this powerful program will do for you: * Quickly increase your traffic and sales by getting your content online when other publishers begin reprinting your viral articles, you can just sit back and watch your traffic and profits soar! * Reuse existing content Viral Article Producer makes it easy to recycle and rework existing content and post it online saving you time and money! * Copy existing articles into the program and immediately convert them to HTML with the click of a mouse! * Save your viral articles in different formats to ensure your articles get through spam filters, HTML is the suggested format but this software program will also allow you to save your articles in other formats as well, including text and more, so you can send them as email attachments! * Turn private rights articles into mini sites and get content online before your competition knows what hit them! * And much, much more! Its time to put this program to work for you Its time that you started working smarter, not harder Its time for you to achieve the personal and financial freedom youve always wanted. So What Are You Waiting For? Look at just a few of the many benefits that come from using the Viral Article Producer: * Quickly and easily generate viral article mini-sites that will draw your prospects and search engines attention! * Use the article mini-sites to generate AdSense and affiliate commissions! * Receive more frequent spidering and ranking by search engines that give preference to sites that have fresh content! * Generate free, unlimited traffic! * Receive more frequent visits by people who appreciate up-to-date content! * Use the article mini-sites to gain instant credibility and guru status, which will help boost your sales conversions * And much, much more! Remember in todays competitive Internet marketplace, you need every advantage you can get and the Viral Article Producer is a great way to ensure you dont spend too much time on your articles and too little time growing your business.
