

G-recorder

[DOWNLOAD HERE](#)

G-Recorder saves Skype calls and chats in your Gmail account. Benefits: Your Skype calls are recorded and you can replay them in Gmail without downloading. Skype conversations are searchable and accessible to you from anywhere anytime. Conversations can be merged from multiple computers in chronological order. You won't lose chat history when you change computer or reinstall Windows. You can work with your conversations like with e-mails. G-Recorder specifications: Download Size: 1476 KB Other System Requirements: Skype G-Recorder support Phone: 38 0 6676 83406 G-Recorder manufacturer G-Recorder 9v Yunakiva str. 2279039 Lviv g-recorder.com Tags: record, chats, calls, Skype recorder, record Skype, Skype history, migrate, archive, backup, sync, synchronize, chat log, chat history, call recording
