

Honky - Dalton Conley

[DOWNLOAD HERE](#)

This intensely personal and engaging memoir is the coming-of-age story of a white boy growing up in a neighborhood of predominantly African American and Latino housing projects on New York's Lower East Side. Vividly evoking the details of city life from a child's point of view--the streets, buses, and playgrounds--Honky poignantly illuminates the usual vulnerabilities of childhood complicated by unusual circumstances. As he narrates these sharply etched and often funny memories, Conley shows how race and class shaped his life and the lives of his schoolmates and neighbors. A brilliant case study for illuminating the larger issues of inequality in American society, Honky brings us to a deeper understanding of the privilege of whiteness, the social construction of race, the power of education, and the challenges of inner-city life. Conley's story provides a sophisticated example of the crucial role culture plays in defining race and class. Both of Conley's parents retained the "cultural capital" of the white middle class, and they passed this on to their son in the form of tastes, educational expectations, and a general sense of privilege. It is these advantages that ultimately provide Conley with his ticket to higher education and beyond. A tremendously good read, Honky addresses issues both timely and timeless that pertain to us all. Author: Conley, Dalton Publisher: University of California Press Illustration: N Language: ENG Title: Honky Pages: 00243 (Encrypted PDF) On Sale: 2000-10-01 SKU-13/ISBN: 9780520215863 Lib Category: History Lib Category: Race awareness in children Category: Fiction : General Category: Social Science : Minority Studies - General Category: Social Science : Children's Studies
