

How To Make \$1000 In A Week On Ebay

[DOWNLOAD HERE](#)

One of the hardest things to get to grips with when you start out on your Internet marketing career is that money is quite easy to come by if you put your mind to it. As workers were told from an early age that we must work for our money and that hard work equates to financial reward. Rubbish. Complete and utter rubbish. How long would it take you to raise a thousand dollars now? Ive mentioned in previous books how Ive seen grown men in tears because they needed a little extra cash and couldnt conceive how they would get it. To them an extra thousand dollars might as well be an extra ten million! So would you have to work overtime for a month of two? Would you have to max out your credit card or go cap in hand to the bank?
