'MIDI Keys: Funky Horns' is the latest addition to Smash Up The Studio's range of MIDI Packs. Funk up your tunes with this ultra cool selection of MIDI horn phrases. Superb arrangements, expertly programmed, these loops are perfect for producers of Disco, Funk, Soul, RnB, Hip Hop, and Pop. This collection is highly versatile and each loop is designed to drop effortlessly into your tracks. 'MIDI Keys: Funky Horns' includes tempo and key signature info and takes away the hassle of making real horn audio samples fit properly with your music. With MIDI loops it's easy to change the notation of each riff and the tempo in order to make the phrase work perfectly in your track. You will find that loops programmed at 125 BPM with a Disco vibe also sound great when slowed down to 95 BPM and used as a Hip Hop loop, and vice versa. Also there are so many great Horn plug-ins on the market now that it is possible to achieve some very realistic results. These loops range from 77 to 127 BPM and include various styles, from complex, intricate stabs to more laid back sustained harmonies. There are 62 loops in total. All loops in the preview track are included in the pack. (Drums are for demo purposes only and are not included). This awesome pack includes Key signature info and tips for optimizing performance. All Horns were arranged and programmed by Steve Burton for Smash Up The Studio. All loops are Royalty-Free.
