Bodyguard Beverly Havlir Dr. Paige Harrington devoted most of her young life to becoming a trauma surgeon. She missed out on a lot of things, including dating and relationships. But now she's ready for a change. Now that she's independent, she wants to enjoy herself, go out on dates and finally have some sex. But her plans go awry when she witnesses a brutal murder. The only one who's seen the killer's face and lived to tell about it, the police are determined to protect their witness. Detective Nick Santorelli is not happy about his latest assignment babysitting a prissy doctor. Things get more complicated when he finds himself attracted to Paige. He knows there is a sexy woman hiding underneath the bulky clothes and uptight attitude, and he sets out to prove himself right. The two quickly find themselves mired in a hot, sexy affair. But there is danger stalking Paige, a killer who intends to leave no witnesses to his perverted crimes.
