FOREX Trading Revealed Mastering the Basics of Currency Trading and Foreign Exchange Markets

FOREX Trading Revealed looks at why the foreign exchange market is becoming popular with individual traders and how anyone can get started without previous investing or trading experience. Opportunities for making money in the currency markets are available virtually 24 hours a day, 6 days a week. FOREX Trading Revealed explains why Forex brokers don't charge commissions or fees, and how to open accounts for as little as \$50 with the potential of making 200 to 1 returns from small price moves in any direction (up or down). In FOREX Trading Revealed, you'll discover: What currency pairs are and which ones are easiest for beginners to trade Methods the pro's use to predict which direction the market will move How to calculate profit and loss What types of brokers are available and which ones to avoid Best time of the day to trade How to set stop loss orders to minimize risk and lock in gains How to develop a trading system and test it Trade examples, charting, numerous tips, advice, tactics and strategies FOREX Trading Revealed is written in clear easy to understand everyday language. Anyone who ever wanted to trade the Forex markets, but were confused by what they read or heard elsewhere, will be comfortable getting started after reading this must have book. Tags: fx
