African natives Martzu and De'shawntu Poitier are proud to have raised such a fine son. Ambitious and levelheaded, De'marco Poitier is on the right track straight out of high school. He and his sweetheart Jennifer are making wise decisions for their future. De'marco has what all the ladies want. After receiving hands-on love making lessons from Connie, he is laying it down in between the sheets and loving every minute of it. Connie wants to continue with young De'marco everything that Martzu started with her years back, and get her groove on in the process. Things are taken too far when Connie's greed leads her to deviously using De'marco and he is none the wiser of her scandalous "business arrangements". After an unlikely admirer gets a piece of De'marco and sees firsthand that De'marco is packing the notorious Mandingo love-piece, a plot is devised to make De'marco their own.
