Looking Forward By Mary Wine Earth in the 23rd century is crowded and unable to feed her ever-growing population. Homesteading once again beckons to the struggling masses -only this time, the adventure will take humankind to the deep reaches of space. Leah eagerly embraces the struggle even when she finds herself facing a Tailarmarian warrior and his demands that she become his mate. Beyond time and customs there still waits the spark of attraction that can bridge the hearts of two strangers. Some call it love, Leah discovers it is destiny. Voyeurs - Overexposed By Sherri L King First in the Voyeurs series, which is linked to the Horde Wars series. The war between the Shikars and the Daemons must be kept secret from all human knowledge. Alek, a human with photographic proof of the Horde's existence, must be dealt with quickly, before his pictures leak out. Agate, a Shikar spy whose fascination with human custom knows no bounds, is the perfect liaison to send to divest Alek of his pictures and his dangerous memories. If only she can keep her libido in check. After all, Agate has never been one to shy away from her sensual side and Alek makes her hotter than any sex toy she's ever dared to invent. It's too bad he won't be allowed to remember her come the morning. Raptor's Prey By Delilah Devlin Part of the Desire series After a month-long sleep filled with dreams of a dark-skinned lover in a castle beneath the sand, Captain Andromeda O'Keefe awakens in her suspension chamber to discover her dangerous cargo has escaped. Worse, naked and at his mercy, she learns her sexy, forbidden dreams weren't hers alone. Khalim Padja of the Raptor Clan has a date with a prison cell. Using his dream-share gift, he invades the wary captain's dreams to seduce her. But time is running short to win her heart and his freedom. The Embraced - Scarlet Sweet By Anya Bast Loosely related to Blood of the Rose. As the Scarlet of the Tuatha DÃ© Danaan, the fate of her people lies in Cerian's hands. To win against their foes, she must become what none of the sidhe have ever been-a Vampir. The dark and powerful man sent to transform her is compelling and seductive. He is a dangerous aphrodisiac she must resist. She has stood alone for too long to allow anyone to breach her defenses. But one taste of Cerian makes Rhys ravenous for more, and when he hungers he doesn't relent. Wolf's Law By Cheyenne McCray Analeen is terrified of

wolves-one of the beasts murdered her mother years ago. But when she is torn from her family by ruthless slave-traders, it is a wolf that saves Analeen's life when it attacks the traders. She escapes the carnage, only to be captured by a wild man. Law wants little to do with humans and refuses to take a human female as his mate. But when he brings the beautiful Analeen into his care, he can't stay away. It isn't long before both succumb to their desires. Passion burns deep, but it's only a matter of time until Analeen learns what Law truly is.
