Historical Instruments Harpsichord, piano forte, accordion, celtic harp, viol and flutes are brought alive and into the present day in stunning quality and with total no-nonsense usability. Three folders (Sperrh 16, Sperrh 16+8, Sperrh 8+4) of exquisite harpsichord multisample kits demonstrating the full variety of tones available within this venerable instrument - check out the ballsy 16+8 and appreciate the vast range of possible uses, from classical all the way through funk. The Piano Forte, ancestor of the modern piano, gets the same treatment and its distinctive resonant quality will cut through in any mix. Three variations (diatonique 1 & 2 and musette) of the classic accordion are provided, including one typical of classic western european folklore. The celtic harp has a dreamy quality best featured in the Mute program, as well as FF and PP programs. The viole multisamples are presented with a velocity switching patch, as well as mute and pizzicato variations. The flutes wrap up this collection with two great flute textures: Alto and Bass.
