"Create Your Own Screen Savers Easily & Make A Profit From Them!" With this ALL NEW software. . . .
Screen Saver Maker Pro Here's Some Things You Can Do With It: Screen Saver Builder Pro Feature List
30-day trial with notification of days used so you know how long is left. Easily add images to a list.
Re-order image list quickly. Remove single images, or clear list and add a new folder of images. Save
and load settings for screensavers. Use image list order or use a random order for image display. Stretch
images for display with no distortion, or use default image size. Using image sizes of 800x600 and
1024x768 can let you make custom screensaver versions for different screen sizes; ensuring the highest
image quality. Use image transitions such as slide, fade, blinds, and more. Add locking options such as
password, days to expire, or restrict the number of images until the user enters the password for the
screensaver. Add scrolling messages to display during the screensaver, or hide them after the user
enters a password. Include music and sound effects in your screensaver, you can loop the play list for
continuous music play or just play it once. Set branding options such as: Title, Author, Date, Website, and
filename. Set advanced branding options by adding Copyright name and date or adding a button on the
configuration screen that links to your custom document. Add custom about screen text, and even an
additional about screen message that you can include extra advertising text, links, or other information to
your users. You can build the screensaver and save it to a file, or you can build an installer so you can
distribute your screensaver to others. Install your screensaver on your own computer easily. Easy to
understand help file is included with detailed instructions on how to create your screensavers.
