Support & Profit is a brand new Help Desk script with many benefits: Protect your email address Avoid email harvesting * Dramatically reduce spam with our Help Desk script. You dont have to give out your email address to strangers anymore. Use your helpdesk link instead, and make a professional impression at the same time. Your email address is hidden from the user and email-harvesting spiders. (Of course, trusted members can always email you to obtain your email address for a more personal contact.) * Internal Mailing - Receive 100 of your support emails Serve your members BETTER ! Your members can contact you from a page on your own web space. This allows you to receive 100 of your support emails by using the mailbox provided by your web-host. No more lost emails. Finally beat those nasty spam filters. * Easy to install script - No Database This script is extremely easy to install. No database is required. Comes with detailed installation instructions. * Private Label/ Re-sell Rights included Private Label Rights and Full Source code & Graphics included. You can easily customize this script and brand it with your own company name. Comes with FULL Master Resale Right
