

# Brain Dance Loop Samples Acid/apple/rex

[DOWNLOAD HERE](#)

Produced by Jeff Rhodes. One man, one machine, one mission : To translate some of the sound of the hardware legend Fizmo synth, into a unique loop sample set. Every sound was affected and re-synthed until it had taken on a new form. Brain Dance is not a str8 ahead techno loop CD by any means, it runs the audio gamut from some intense and deep bass lines, all the way up the frequency ladder to some other worldly animal-like and sirenish sounds, and hits most spots in-between with originality and textural as well as rhythmic finesse. If you are interested in the legendary Fizmo synth, or if you just like unique loop sounds for your projects, Brain Dance should be in your audio toolkit. 120 Bassy Loops 202 Melodic Loops 25 Rhythmic Loops 35 Other Loops This collection contains the following products: BrainDance Acid.zip BrainDance AppleGarageband.zip BrainDance REX.zip
