

Minimal Fx Vol 1 (wav/apple Loops)

[DOWNLOAD HERE](#)

'Minimal FX Vol 1' from Equinox Sounds is a unique collection featuring 300 Minimal and Tech FX loops that will be a perfect addition for all producers looking to add that extra polish to their ongoing Minimal, Minimal Techno, Tech, Tech-House, Techno and Tech-Trance productions. The loops are available in 48 kHz / 24-Bit WAV and Apple Loops formats. These FX loops have been composed using a hybrid of vintage analogue and cutting-edge digital synthesis and they are all delivered at 125 BPM to ensure easy integration into common Tech and Minimal genres. You'll get a nice dose of glitch loops, high frequencies, pseudo-rhythms, modular noises and much more. These sounds will be perfect for your articulated Minimal and Tech rhythms. 'Minimal FX Vol 1' is an indispensable archive that stands as a benchmark source for FX loops that will fit seamlessly into virtually every genre of Minimal and Tech productions.
