This is the MajorKeys Budget Beats Vol.1 To hear the tracks you can go to this link and click on Budget Beats. myspace.com/majorkeysmusic Do you need to get a demo done but can't afford to buy the type of quality beats necessary to write your songs to? Producers charging too much? Then this is what you need. 10 quality beats for the low price of \$200!!!! That's \$20 a beat!!!! You can't beat that. All beats are given in song format: Intro, Verse, Chorus, and Outro with tempo information for editing purposes. All of the beats are given to you in a mixed down stereo format. These beats range from Hip-Hop, R&B, and Dirty South. If you would like the beats on the CD, you can pay and request a hard copy. You are allowed to use these beats for recording purposes such as a demo cd or mixtape. Although you are purchasing these beats that does not make you the owner. By agreeing to purchasing this CD you are agreeing to a non-exclusive deal meaning you are granted the right to use these beats but you will not be the owner and you cannot resale them. If you would like to become the sole owner of one of the tracks you hear you can contact us at DYNAMIKE@MAJORKEYS.COM for an exclusive price.
