This Sample CD contains exclusive live guitar session samples taken directly from the FreeDemoKitsstudio archives. Our samples have been specially crafted using the latest in studio technology to give your productions that added "punch" and feeling. You could expect to pay upwards of \$40+ for the same high quality and quantity of samples from other online sites. These sounds are in the universally compatible WAV format. The files can be read on both Windows and Mac platforms and by just about any music software program. Tags: guitar riffs hip hop and rnb loops and samples in wav format for fruity loops
