Get More FREE Search Engine Traffic From Your Content By Instantly Analyzing Its Keyword Density With A Few Clicks! Get More Targeted Search Engine Traffic With Articles Optimized To Give You Prized Rankings That Pour In Sales. Article Analyzer is a cool little tool to help you analyze articles for keyword density. Follow these simple instructions to begin. If You Regularly Write Articles, Press Releases, Blog Entries, Or Any Type of Content You Publish On The Web, Then You Can Dramatically Increase Your Search Rankings With This Easy-To-Use Tool! Article analyzer is a piece of software that automatically computers the exact keyword density with a few clicks of your mouse. As a result, you can rest assured your articles are optimized to claim profitable search engine rankings! Here's The Full Range of Benefits You Get: * Quickly "test" all your articles prior to publishing them on the web to make sure you don't waste all of your effort! Relax knowing all of the time spent on each article is likely to pay off! * Ensure your keyword density is accurate for easy search engine approval. Never miss-judge whether an article is going to hit the bullseye, costing you a prized profitable search engine ranking you could've easily had! * Quick catch and correct any spelling errors that might exist with built-in spell-checker. Nothing's worse than working for hours over an article and having an overlooked spelling error limit its success! * Get the word count, the number of times a chosen word or phrase occurs throughout the content, and the density percentage. All of the data to make smart decisions so your articles pay handsomely are here! * Save each article in either .txt or HTML format for full flexibility and saved time! Your content is ready for you to submit to directories, online newswires, or publish on your website! * Quickly spot your keywords inside your article with built-in highlighting feature! This is a huge time saver when you're trying to edit your articles! * Plus, more features to save you time and give the information you need to succeed with your content!
