Gabba Longkicks from Sonshayne Sounds are a new designed kick drums resource for advanced Gabba, Gabber and Hardcore producers. These 2-3 seconds long, very loud and steady kicking bass drums have been designed for very loud and booming recordings. They can be cut to any needed length and were recorded and mastered clipping-free in crystal-clear 24-Bit Audio. Who Is This Product For? Advanced Gabber, Gabba and Hardcore music producers Features: 2-3 Seconds long, very loud and steady kicks for Gabber, Gabba and Hardcore Super saturated, full sounding sounds Kicks can be cutted to any needed length Not generated by timestretching, but thru a special saturation line with VCA tweaking and clipping prevention Recorded in crystal-clear 24-Bit Audio for best dynamic range No clipping at recording and inside the samples, therefore mixable without generating undesirable sound artifacts Totally new designed sounds thru custom-made recording setup A lot of work and finetuning was needed to generate these 160 kicks in a very large palette of available sound flavours About the Demo: It is preferable to listen to the demo with good headphones or with active speakers on your computer to hear the full dynamic range. The musical elements in the demo that are not kicks were added for demonstration purposes and are not included. Available Formats: 24-Bit WAV Digital Product instantly available via download
