

# Electro Dream Builder(acid/wav/apple Loops/aiff)

[DOWNLOAD HERE](#)

This diverse collection of 15 rhythmic construction kits contains nearly 300 loops: soft and grimey synths, luscious basses and poly-rhythmic drum arrangements. Each construction kit is broken down into a drum mix, 3 full mixes, and the loop components. The compatibility between the musical ideas expressed in each kit allows for endless experimentation and mix possibilities, giving the creative producer an electric playground with lots of toys. Enjoy! FORMAT: - ACID - Apple Loops - WAV
