If You Are Tired Working Nine-To-five, Being A Slave To Money And Want To Start Earning A Full Time Income From The Comfort Of Your Own Home. Then Discover A Newbies Guide To A Profitable Online Business That Runs On Auto-Pilot And Earns You A Constant Monthly Residual Income! Heres two ways you can start your own online business in under 1 hour: Buy Resell Rights to someone elses product and start selling it on the internet. All you would need to do is buy resell rights to an info product, upload it to the internet and drive traffic to it via Google Adwordsand theres your 1 hour online business. You could also... Sign up as an affiliate and promote someone elses product (this is even easier than the first business). All youd need to do is sign up to an affiliate program and drive traffic to your affiliate linkAgain, you can use Google Adwords to drive traffic to the link. Here are the just some of the profitable things you are about to discover: Learn the basic fundamentals of online business and all the words and terms you will need to understand in order to get started (youll need to know the basics before you can actually get startedbut the best part is you can do that in just a few minutes!) The simple and easy way to start a profitable online business, all explained step-by-step. (This will take you from clueless, to actually knowing whats going on and drooling to start making an online fortune) Exactly how to set and achieve your online business goals and exactly how to choose the right online business type for you (After you do this, its almost time to get started on earning that online cash!) Exactly what to do if you dont have your own product to sell, or simply dont want to create one (Yup, you dont even need your own productand that is fine because there is a ton of ways to make money without it) How to identify your target market, or in other words: choose and identify the kind of people you are going to make your money from (this is one of the key steps in starting your online business) The key factors in selecting a domain name (web address) that will boost your profits and make your business look as professional and targeted as possible (your domain is basically your business name and address all at the same time, that is why it is very important to get this step right) Exactly how to use the right web hosting for you, In order to have your business online you need to have a web host to host it for you (its kind of like paying rent when you own a grocery or convenient store) How to get a simple and professional looking website without

spending a fortune (the way you present your business to your potential customers is very important, that is why you should always take this part of your business as seriously as possible) Exactly how to make your website suck as much profit as possible from nearly every person that visits your site! (the job of your internet business is to make you money by making people buy what ever it is you are sellingthis part of the guide shows you how to make your website do its job as efficiently as possible) A list of the best payment processors you can use in order to accept credit cards and other types of online payments. A step-by-step guide to publishing your very own news letter so you can make a ton of cash by promoting other peoples products to your loyal subscribers! Exactly how to start your very own online business ASAP by getting the resell rights to someone elses products (we already covered this briefly, but if you want to know more on how to set up your own online business as soon as possible keep reading!) A list of profitable business models you can follow to make your own online fortune (Want examples of what already works in the online business world? In this section youll get all the examples you need!) But MOST IMPORTANTLY, youll learn absolutely everything you need to know to start your very own profitable online business ASAP so you can start earning a comfortable income from the comfort of your own home without the stress and hassle of getting up to go to work every single morning! Remember: starting your very own ultra profitable online business does NOT have to be hardespecially if you know of all the great different and most profitable ways you can start making money on the Internet ASAP!
