

Henry James And The Language Of Experience - Collin Meissner

[DOWNLOAD HERE](#)

In Henry James and the Language of Experience, Collin Meissner examines the political dimension to the representation of experience as it unfolds throughout James's work. Meissner argues that, for James, experience was a private and public event, a dialectical process that registered and expressed his consciousness of the external world. Adapting recent work in hermeneutics and phenomenology, Meissner shows how James's understanding of the process of consciousness is not simply an aspect of literary form; it is in fact inherently political, as it requires an active engagement with the full complexity of social reality. For James, the civic value of art resided in this interactive process, one in which the reader becomes aware of the aesthetic experience as immediate and engaged. This wide-ranging study combines literary theory and close readings of James's work to argue for a redefinition of the aesthetic as it operates in James's work. Author: Meissner, Collin Publisher: Cambridge University Press Illustration: N Language: ENG Title: Henry James and the Language of Experience Pages: 00248 (Encrypted PDF) On Sale: 1995-07-07 SKU-13/ISBN: 9780521623988 Category: Literary Criticism : American - General
