

The President: A Novel - John Stewart

[DOWNLOAD HERE](#)

Arguing that an efficient economic system can be compatible with a fair share for all, this novel centers on a United States president who changes his mind about his policies. A deliberate parable about today's political wars, the novel illustrates the reforms posed by a real 19th-century figure, the American economist Henry George. Accordingly, this fictional reelection campaign provides a convenient stage for speeches and debates when the incumbent president goes missing-and returns with a platform for social justice that enrages those with vested interests and confounds his party operatives. Words: figure wars Author: Stewart, John Publisher: Shephard-Walwyn Illustration: N Language: ENG Title: The President: A Novel Pages: 00000 (Encrypted PDF) On Sale: 2009-06-01 SKU-13/ISBN: 9780856832611 Category: Fiction : Political
