Dear Internet Friend, If you have spent any amount of time online recently, you have no doubt seen the word "Niche" all over the place. It seems to be the newest buzz in product creation and promotion! In fact, many online marketers are focusing their entire online business strategy around this one word. Mind you, some of these marketers are well experienced in the whole eBiz game. And they're making a huge profit by doing it too. Now it's your chance to do the exact same thing they are, and this is the product that will help you achieve it. Inside Scripts2Sell you will find 35 various scripts that can be used to create many different "niche" profit producing websites. It's no secret to many savvy internet entrepreneurs earning an income online that it takes more than just one categorized website or product to generate a profit. Leon Johnson P.S. Absentee resellers sell many digitals for less than I do, but quite often getting something for less is often less of everything...connecting with them is less, so customer service is less, getting support for issues with the product file or download is much less. They don't charge much of anything for what they are trying to sell so why should they devote time and customer service on what they don't profit on? I on the other hand am not an "ABSENTEE" seller, I am just a click away (Mon - Sat) for support and product issues should they ever arise. I answer all email promptly. Why? Because I genuinely want to do business with you! ...Test me! Use the "CONTACT SELLER" link near the top of this page (near the words "FILE DATA")! Use my contact form above "Subject" is "Just Testing". I will respond with a FREE (no charge) "CREDIBILITY" treat in appreciation for your taking time to test my credibility.
