It's time to strut your stuff under the neon lights of "Digitalo Disco", the hottest of all the hotspots downtown! All-time classic influences are propelled into the future, colliding with cutting-edge digital technology and contemporary programming and engineering techniques to create the uplifting and energetic dancefloor sound of tomorrow. Get your backing track going for the next big thing, with more than 200 radio-ready synth and bass loops, along with almost 100 inspired drum one-shots for building your own chart breaking beats. With a range of musical keys and tempos from 120-126bpm, there's something to take any vocal performance to the next level, as well as plenty of surprises for spicing up instrumental music too, adding glittering italo know-how to many other electronic genres. "Digitalo Disco" boasts over 400MB of the most energetic, classic, warm and analogue sounding sonics you'll ever hear, all engineered and compressed to perfection for sparkling professional results every time. All our files are guaranteed by our triple-check quality guarantee, and come with a royalty-free license for no-worries commercial use. You simply drag and drop into your favourite hardware or software for instant programming pleasure. Matching the most satisfying four-to-the-floor beats with hot mediterranean percussion and Giorgio Moroder inspired cosmic synths, this pack will blow your productions into orbit. Just clap your hands and let "Digitalo Disco" show you the way to the stars! This is the .WAV version.
