HEX-LOOPS present the Trance Poducer Pack! If you need the latest Minmal Trance samples and sounds for your music this pack is full of all the material you will need for an awesome minmal trance/glitch production. Featuring a solid collection of minimal trance basslines, Brand new Drumloops, Synthloops, Drum hits and more cool sounds, this pack is in answer to all the requests we have had to put out a pack representing the more techy minimalistic sound currently rocking through the bars and clubs of Europe and beyond. These sounds can be used for a wide range of Trance styles like Psy-Trance, Goa, Melodic Trance, Euro Trance... Progressive psytrance combines the elements of minimal sounding progressive electronic music and complex developments of psychedelic music. Its heritage can be traced back to the developments of minimal techno, tech, and minimal house. The style of progressive psytrance can be described as generally darker and edgier than mainstream trance. It is also slower in tempo and is more progressive than melodic psytrance. The pack is made up of Wav samples and have 115 Trance Loops If you produce Minimal House, Trance, Glitch or just need some modern edgy sounds for your productions - this trance pack is the one for you! Listen to the demo mp3 to get an idea of whats in the pack, and to see what great value and inspiration you get with the new and Ultimate TRANCE Producer Pack (exclusive on Internet) DOWNLOAD NOW BECAUSE THE PRICE OFFER (14,95\$) IS AVAILABLE ONLY IN DECEMBER 2011
