Are you ready for a full truckload of genius beats and breaks from the heavy side of the street? We're bringing you straight-up hip hop vibes ready to roll in the club, keeping heads nodding from the first bar to the last. Lets take it back to where it's supposed to be and ride high with real big hitters like DJ Premier, Big L, The Alchemist, Mobb Deep, Jadakiss and Royce Da 59 all the way through to Talib Kweli, Dilated Peoples, J Dilla, Lupe Fiasco, D.I.T.C, Freddy Foxx, you know where it's at! Lets go! 250+ Hard-knocking kicks, crisp snares, orchestral licks and dramatic chords as they flow through your sequencer, then lay down your overdubs or grab the mic and let rip over the 10 bonus pre-mastered full-length beats. You also get ten diverse construction kits, presented as completely separate tracks to allow real hip-hop geniuses to mix and blend their own flavas. Tempos range from 69-110bpm, giving you the fullest range of expression, and the perfect tools for any hip hop jam. Your crew aren't gonna believe how much you've stepped up your game, with each and every file perfectly produced and compressed to the highest professional standards, 24-bit audio, and even available preformatted for Acid or in Apple Loops for total reliability. The most emotional and authentic strings and pianos add shine and credibility to your sound, and everything is royalty-free so you can cash in however you like with your productions. If youre tired of beats that lack real flavour, then snap your neck to some real phat beats, with orchestral highs and deep bass lows, everything you need to rise to the top. Discover the potential of your genius and let your mind flow to new places, then go out and smash up the venue. The time is now!
