Transform your photos and videos with incredible green screen/chroma-key software 123VideoMagic Pro. Capture, record, edit, and merge videos; superimpose still images, audios, and cool transitions. Make fingertips burst into flames, buildings invisible, change the background of the presenter to Hawaii or get yourself shot with celebrities. Green background of videos and images can be replaced with your own images and uncompressed AVI123Video Magic Pro specifications: Download Size: 30968 KB Minimum Memory Required: RAM: 512 MB Minimum Hard Drive Space Required: 100MB Processor (CPU): 2.1 GHz Other System Requirements: DirectX9 compatible (with hardware video acceleration enabled) 123Video Magic Pro supportSupport email: helpdesk@softwaredepotonline.comPhone: 1-800-405-7125123Video Magic Pro manufacturerSoftware Depot Online2 Baynard Court14534 Pittsfordsoftwaredepotonline.comTags: chroma key software, green screen video, green screen image, chroma key video, chroma key image, green screen editor, chroma key editor, video editor, audio video, image video
