Pocket Pc - Menstrual Cycle Calendar And Due-date Calculator

DOWNLOAD HERE

Cycle Calculator is a menstrual cycle calendar also known as fertility calendar. The software indicates days with increased probability of getting pregnant, makes predictions of upcoming dates and keeps records of previous cycles. Cycle Calculator uses the day of your last menstrual bleeding and the average number of days in menstrual cycle to indicate days with increased probability of getting pregnant.Pocket PC - Menstrual Cycle Calendar and Due-Date Calculator specifications: Download Size: 69 KB Other System Requirements: Pocket PC 2002 or later/ including Windows Mobile 5.0 Note: download through windows Pocket PC - Menstrual Cycle Calendar and Due-Date Calculator supportSupport email: support@soundtells.comPhone: 617 817 1916Pocket PC - Menstrual Cycle Calendar and Due-Date Calculator Sections Cycle Calendar and Due-Date Calculator manufacturerSoundTells9 Michael Rd02135 Bostonsoundtells.com/
