

# Trance And Dance Vol 4 (wav/midi)

[DOWNLOAD HERE](#)

'Trance and Dance Vol 4' from Nano Musik features four of the most current sounding Trance Construction Kits, including all MIDI Files. This WAV and MIDI pack takes inspiration from the German Trance and Dance Scene. Every sound heard in the demo is included in the Construction Kits themselves; be inspired and add your vocals. You'll find 68 WAV (dry and wet) and 55 MIDI loops for you to mix and match to create endless possibilities. All of the elements in these Construction Kits have been broken down into separate files. All MIDI files are in Chorus and Verse Charakter. You can either drop the CD Audio quality WAV files directly into your project, or import the MIDI files and assign them to your favourite synth or sampler to be played back at any tempo, in any key. All files are formatted as both 24-Bit WAV & MIDI. Product Specifications: Tempo: 130 BPM. Key: Am, G, Em, A Formats: 4 Construction MIDI & WAV Kits Content: 68 WAV Loops & 55 MIDI Loops About the Producer: Nano Musik is a producer from Germany. For many years he has produced and written songs for artists and advertising campaigns. All of the audio files in their range are processed using state-of-the-art Technology. About MIDI: Using the supplied MIDI files, you can assign any of the musical phrases found in this pack to your synth or sampler, and integrate them seamlessly with the pre-rendered loops. Seeing as how MIDI is effectively only instructional data, you can change the pitch and tempo to any extent you like with no artefacts. Royalty-Free: All of the loops in this product are 100 Royalty-Free. So, once you have purchased this product from us you can use these loops in your commercial releases without having to pay any extra.
