Fed Up Of Building Your List With Tyre-Kickers And Window Shoppers Who Don't Know What They REALLY Want Whilst You're Painfully Raking Up An Auto-Responder Bill That's Eating Into Your Profits?... Now You Can Finally Erase Those Clueless Subscribers And Build. Leads Who Are Actually Interested In What You Have To Offer!... Read On To Find Out How. Introducing... The Resell Rights Warrior Package! Your All-In-One Squeeze Page, Customizable Report, Crash Course Follow-Up, And Traffic Getting Articles Package The Resell Rights Warrior Package is your all-in-one squeeze page system, customizable report, educational email crash course and traffic-getting articles package in one! This has been designed solely to build your list of RESELLERS so that you can finally put all those products that come with (Master) Resell Rights and Private Label Rights to good use! So What Will This Resell Rights Warrior Package Help Me Do?... The Resell Rights Warrior Package will help you achieve the following... 1. Build a list of active subscribers waiting to hear from you - not wishful thinking money making wannabes - intelligent subscribers who are ready to take action when you have what they're looking for! 2. Allow you to promote offers in the future - be it your own products, affiliate offers or anything else related to the niche including ad-swaps and auto-responder swaps for a list-building frenzy! 3. Allow you to 'buy' and 'sell' RR/MRR/PLR products to your list! - when you come across a product with resell rights in the near future, simply buy it, set it up on your domain, and promote it to your reseller's list! You can make a very good income from this method alone! 4. Build a strong list of prospects who would be willing to join your own membership! - Think about it, you've got a list of resellers who actively buy your resell rights products... it's time to turn it up a notch and set up a membership site dedicated for them! You could easily charge \$27 per month and provide 2 fresh products on a monthly basis to stabilize your income! Slowly work your way up to 100 members, and you've secured \$2700/m - enough for most people to quit their jobs! Having your own reseller's list is so profitable that you won't even believe how much I've generated until you've tried it first hand for yourself!... Check Out The AWESOME Package You'll Be Able To Use To Build Your Reseller's List! Designed for high sign-up rates! Make no mistake, no expense was spared in creating these sites. You work hard to get the traffic, so it makes utter sense to

convert as many of them into subscribers! With 3 variations you'll be able use the one that suits you!

You'll Also Receive The Standard Mini-Site Templates To Create Your Own Custom Pages! Use these mini-site templates to create your own custom pages, or even your own special offers after your visitor has signed up. Need an idea for a special offer?... How about selling a package of resell rights products? Afterall, it makes perfect sense seeing as they're interested in learning how to make money by selling other people's products! Including Prepared Confirm And Download Pages For A Proper Sales Funnel!

You'll receive the confirmation pages and download pages for each template design so you're providing a great experience for your visitor whilst recommending other resell rights related products to them. You'll earn anywhere from 75-100 commission from these recommendations alone! 3 Customized Binder Covers To Match Each Template! You'll also receive separate binder covers to match your squeeze page template. Use them to help promote your squeeze page by hosting them on your blog, paid advertising spaces or anywhere else where you want to grab attention, then link them directly to your squeeze page!

A 24-Page Content Rich Brandable PDF! Personally Written With Detailed Diagrams And Personal Insight, Your Subscribers Will LOVE This! Give your subscribers exactly what they signed up for!

Personally written, this 24-page report is rich with content and filled with detailed diagrams to make any subscriber feel like they've really bought something! You have full permission to give this away for free just to build your reseller's list! Here's a quick table of contents!...
