Scarlett watched as the best of Vandora entered the main hall. Exhaustion was beginning to creep up on her, and she knew she needed rest. "I wish to address the group," Queen Venom said. Scarlett took a seat. "Nurum brutally murdered Suzi and left Brad for dead. As most of you know, Alisza and Suzi came to Vandora for sanctuary. Alisza Troy, the rightful Queen of Nurum, was brought to us by Paul for her own safety. Nurum's military plotted to assassinate her and continue the evil rule the former king had instigated long ago." She paused for emphasis and then continued. "Nurum has now invaded our outer territory. They are endangering our citizens, attacking our troops, pilfering our villages, raping our women, killing our men, and wearing our uniforms when they do it." A rumble of out rage passed through the group. "We have conquered enemies in the past, and we will overpower this latest threat as well." Queen Venom looked at Scarlett. She could see that her friend and First Knight needed rest. Scarlett smiled with pride as the men and women of the Vandoran guard stood, one by one declaring their determination to conquer the enemy and protect their home.
